Headline:

Dry and largely clear tonight. Showers on Thursday.

This Evening and Tonight:

Any remaining showers dying out quickly during the evening, then dry and largely clear. Becoming chilly for most, although perhaps milder in the southwest where cloud will increase overnight. Minimum temperature 4 deg C (39 deg F).

Thursday:

Sunny spells to start in the east, cloudier further west. Showers developing during the morning, perhaps becoming heavy and thundery, particularly in western parts. Sunnier in the east. Maximum temperature 17 deg C (63 deg F).

Outlook for Friday to Sunday:

Cloudy with isolated showers Friday, cloud slowly burning back to the coast. Heavy showers with a risk of thunder on Saturday and Sunday, although with some sunny spells. Cool throughout.
